## Tough and Dependable Product Solutions

When being first class is your competitive advantage, Aristocrat series of personnel and burden carriers is an excellent choice for your hospitality needs. Aristocrat style, comfort and reliability is second to none in the industry. Aristocrat, designed to enhance your company image, can be customized with special colors, seating or deck configurations to meet your daily transportation needs.

The Aristocrat product line is available in a flat bed or four to eight passenger configurations. Powered by an electric drive train, Aristocrat provides years of reliable service in hospitality applications.

Aristocrat's short wheel base design, combined with 24:1 steering gear, provides ease of maneuverability in congested areas. Equipped with standard front and rear shock absorbers, Aristocrat provides passenger comfort during daily operations. Equipped with 10 hp motor and 4 wheel hydraulic brakes (optional), provides hill climbing ability without compromising the safety of your customers.

Product service supported by a worldwide dealer network makes Aristocrat the best choice for your hospitality needs.
